Isabella County Emergency Management Announces Refuse Disposal Plan for Out County residents.

Isabella County received an unprecedented amount of rain in a short period of time on June 23, 2017 resulting in severe flooding throughout the community. Many homes were flooded resulting in water damaged items. Disposal options for residents are outlined below.

WASTE MANAGEMENT: If you are a contracted customer of Waste Management, please proceed with your regularly scheduled pick up. Waste Management is not providing additional pickups at this time. If a customer has excess refuse, please call the Waste Management Call Center, 866-797-9018 to arrange pick up.

GRANGER: Granger will be extending its' hours at Granger Disposal Center of Alma to better serve Isabella County residents who need to dispose of materials damaged by flooding.

- Granger Disposal Center of Alma will be open June 26 – 30 from 7:30 a.m. to 5 p.m. and Saturday, July 1, from 7 a.m. to noon.
- The extended hours are for storm-damaged materials from households only. Granger will not be able to service any commercial customers on Saturday, July 1.
- For more information on Granger Disposal Center of Alma, visit www.grangernet.com/disposal-center-alma.

- For a list of prohibited items and special disposal instructions, visit www.grangernet.com/waste-acceptance-guidelines.

Residents of the City of Mt Pleasant should check the City of Mt Pleasant Facebook Page for City pick up information.

Please dispose of refuse responsibly and follow the options above.
